“ *I didn't know Adam all that well but he was an amazing kid. He was very smart. It seems like just yesterday I was in 3rd hour algebra with him, where he would yell out all the answers before anyone else could even think about solving it. It feels like just yesterday that we were grouped together in 5th hour english. He will always be remembered in our 2013 class. We will always remember Adam for his creativity and his intelligence. My thoughts and prayers go out to the Hyde family. R.I.P Adam we love you and will always remember the great joy you brought to our school and our community.##imported-begin##Kaitlyn Lafleure##imported-end##*
