“ I worked at Medi-Lodge back in 87-88 right out of the Tech center in Marysville.. Beverly was one of the first ladies there that I learned so much from. I only worked there for one year and what a experience it was having Beverly teach me so much. Prayers send to the family.##imported-begin##Rani Morton -Gonzalez##imported-end##

“ *My sincerest condolences to the Wik Family for your loss. I only had the privilege of meeting Beverly one time and can tell you she is not someone you'd soon forget. Her courage, strength, determination and above all her love of life and winning attitude made her remarkable, and a lady in every sense of the word. She truly was, and remains in memory, an inspiration. You are all in my thoughts and prayers now and in the coming days. May you all be blessed.##imported-begin##Brian T. Davis##imported-end##*
