“ *I met Brian in the 70's, and always had great respect for him, he was the "Ultimate" skirmisher in my mind, and many a musket was made thanks to the skills of this man, and the parts he made. I ran into Brian a year ago, and he invited me to come out and shoot with him, a trip I wish I could have made, Rest In Peace Brian, and my sincere condolences to your family. Steve D.*

“ *I was unable to be at Kaatz for his service. A very respectful man, uncommon in our time. He was one of the very few who made sure the "range" was run well. My sincere condolences to Linda and to those of his family I did not meet.*

“ *My dad was an amazing man. My life was perfected with the presence of this man. He also introduced my mom, brother, and me to a great group of people known as my skirmishing family. For all those people who have loved my father, we have been right by his side throughout his fun, crazy at times, adventurous life. In the past few months, he has really talked about some of those times and I will never forget the stories and the memories. Thank you to everyone who has been a part of our close knit group of friends and family. Don't forget to smile when there's a thunderstorm :)*

“ *There was one time many moons ago four of us went to a shoot and slept in a very small tent. One person rolled over everybody rolled over. Brian could really snore, and he was next to me. Good thing he helped me drink a lot Sat. night. God rest your soul Brian you will be missed.*

“ *Julie and family,*

I didn't know Brian, but judging by his daughter he was a great man.

Find comfort in knowing he's in heaven with the Lord.

He'll always be with you.

“ I can still picture Brian walking bare foot through the wet grass at the Heratage range many years ago. His booming voice echoed in the night around many a camp fires. A man I can truly call a friend. He traded me a round ball mold to help me shoot smooth bore. He will be missed by many. My Prayers go out to has family. All friends stay strong and we will join him someday on the great shooting line. Sincerely, John Anderson.

“ I'm so sorry to hear of Brian's passing. It was not that long ago I had called Linda to ask about him.
But I guess he is in a better place now.
