“ Betty,
I'm so sorry about Burt. I know it's been almost 4 years. I found out about his passing about a year and a half ago and I was stunned and saddened. Burt and I had lots of fun when we were kids. I hope all is well with you and think of you and your loss often. Please return my email as I'd like to hear from you. I pray that your pain and sense of loss was/is filled with God's presence.
