“ *Mary and Christie,*

The Brickers 3 have always meant the world to me. Burton was my Good Samaritan when I had car trouble in Yale several years after I had moved. He drove my mother-in-law and me all the way back to Flint. We are so sorry for your loss.##imported-begin##Pat and Jim Bruner##imported-end##

“ *Mr. Bricker built my parents house (Chuck and Pam Avery) in Almont in the late 1960's. They enjoyed working with Burton so much, and appreciated the quality of his work every day that they lived in the house he built for them. They still have very pleasant memories of working with him, and speak of him often, especially now, when good workmanship is so hard to find. He and his kind of craftsman are few and far between.##imported-begin##lynne hollweg##imported-end##*
