“ *I feel blessed to have the memories of growing up as a child at your house on weekends with you and uncle John and through the years your excitement when we all would get together for our yearly Marysville park family picnic's. Your smile will always be my favorite memory of you, not only did your smile make everyone else around you smile but you would smile with your whole heart and we all were lucky to have it shine on us. Always a beautiful Lady but mostly a beautiful true soul. I Love You and will see you someday when the Lord calls me home. Lana Quigley*

“ Carol, will you ever know just how much you meant to us? I hope i get the chance one day to see you again and tell you how much you meant to Steve and I. Our love for you goes way too deep, It brings tears to my eyes just thinking of you. You my dear Carol, you taught my husband so much, you and John helped him become the man he is today. We have so many good memories of you two. All the family gatherings at Marysville, and birthday parties and just hanging out at Grama and Grandpa house. You will always be missed and loved so dearly. We know you are with John now by his side at peace. Until we meet again....
