“ Carol was such a wonderful, strong woman. I learned so many things from her, and have missed her every day for the past 4 years. She truly was my friend and second mother for many years. My life is better for knowing her, and having her in it, even if just for a short time. My sympathy, love and condolences to Dan and Christopher.

“ Dear Dan and Christopher, Our hearts and prayers are with you now. Remembering all the great times we had with our children. Carol was always there when ever children needed her. I enjoyed our 'coffee times' and have missed them since moving to Texas.
