“ To the family of Carole McClune.

*My heart goes out to you and your family. It deeply saddens us, to lose someone so special. Carole was deeply loved by us. She was such a loving, caring person. Everyone came first to her. There was never a morning at work that she did not say GOOD MORNING EVERYONE, when walking by us. Always putting smiles on people's faces. I miss her dearly. She was so good to all of us. She will always be in my heart and in my thoughts.*

“ To all of Carole's family,

*I met Carole 17 years ago when I started working with her and my life has forever changed since then. She is the kindest person ever. She was always smiling and had a laugh that made you laugh just hearing it. She could make a sick patient feel better before they even saw the Dr. She was sincere and would help anyone at anytime. Honestly, I don't think there is one thing anyone could say wrong about her. She became my second mother and love her deeply. She raised a beautiful family and you are truly a tribute to her. She will never be forgotten. Mike & Pat Gergely##imported-begin##Pat & Mike Gergely##imported-end##*

“ Dear Family - I've known Carol since 1974 from Dr. Cyman, Dr. Marcereau and Dr. Klimkowski's office. I am deeply saddened by her passing. She was more than just a nurse, she was a smile when you needed one, a hug that always made you feel better, and words that were always comforting. My kids grew up calling her "Miss Carol" and still when we talk about her, she is "Miss Carol" to them. My families prayers are with you and as her obit stated "Heaven will be lucky to have her." She will be missed by all that knew her.##imported-begin##Cindy Klemm##imported-end##

“ *To Carole's family.  
Carole was such a classy lady. She was intelligent, compassionate, friendly, kind and so much more. I knew her from Dr. Marcereau's office where my family and I were patients for almost forty years. No matter how bad you were feeling after talking to Carole you felt 100% better. She never forgot a face or a detail about her patients. She always went the extra mile for everybody. She will be sadly missed by everyone I am sure. But she is making heaven a happier place. God Bless and take care of one another as Carole has done for you. “ *To the family of Carole. I have known Carole for many years. I was a patient of Dr. Cyman and Dr. Marcereau. My mom was also a patient of Dr. Marcereau for many years. Carole and I were pregnant at the same time and we would always compare how we felt, of course that was 40 years ago. Carole was a blessing to all that knew her. She was never without a smile and always so pleasant to everyone. She will be missed by so many. Carole will be with so many that have passed before her and what a blessing that those people we be able to see her great smile. “ My dearest Carole, we talked, we shared and she gave me many a poke in the arm. Carole was not only a nurse with Dr. Cyman, Dr. Marserio and Dr. Kurkowski, but a friend and joy to me and many. I have seen her often over the 40 years that I went to those above Drs. Her pleasant smile, joyful welcome will never be forgotten. When Dr. Marserio retired it was so hard, I left the practice and Carole called to see if I was alright. What can I say, she was one of a kind and will be missed sorely, but she will be welcomed into her new home with open arms.....Phyllis##imported-begin##Phyllis A. Hagerman##imported-end##

“ Our deepest sympathy to the family. As co-workers to Melissa we feel so much a part of Carole's life and consider her an extended member of our work family. You see we come to work - and bring all of our stories and joys of our home life and Carole was very much a part of Melissa's. We've laughed - cried and know that the memories of Carole will live on in her children and grandchildren. May you stay strong and we hope the memories will help you through this difficult time!!!##imported-begin##Dianne Johns - Shannon Gray - Carrie Lafontaine - Kevin Kapanowski##imported-end##
