“ Mom, the 2nd hardest day of my life was when I had to say goodbye for the last time. We didn't talk much on the phone, but we talked through texts and FB comments. I cherish the last real conversation I had with you on your birthday. I'm so glad I called! I will miss you until I see you again in the clouds. I'm so glad you and dad, and your whole family, are finally reunited! Take care of my babies and Amanda's. Love you always mommy!###imported-begin##Lisa##imported-end##

“ I am so sorry for your loss. Losing a loved one is a very difficult thing to handle. God promises at John 5: 28,29 that "all those in the memorial tombs will hear his voice and come out." So you have the opportunity to see your loved one again. I hope you find comfort in this.###imported-begin##Alexa##imported-end##
