“ I remember Chuck fondly. We all rode the same bus every day to school. I can't remember a time when Chuck wasn't wearing a smile on his face. He was always laughing and joking. Chuch was a really great person and a friend to everyone who would seek him out. I have looked for him at every class reunion. This next one will be a bit sadder without him being there.
Rest in peace Chuck. Thank you for being the pleasant person you always were.###imported-begin##Linda (Brown) Mace###imported-end##

“ Chuck was a neighbor and he rode the same bus as my sister and I for many years. Chuck was always being goofy and teasing everybody. I remember a kid on the bus all three of us teased (it would actually be called bullying today). Chuck got in trouble and Linda and I didn't. He still didn't get mad at us about that. I am so sorry for your loss. He was a great person.###imported-begin##Judy Brown###imported-end##
