“ the memories of Cheryl and Keith around a campfire at our Manistee River cottage and the scare Keith created with a werewolf mask, coming out of the woods that caused major panic with all of us, even Cheryl who knew the guy behind the mask. I believe that was before you were married, we still talk about that fiasco at family gatherings, she always enjoyed a good joke-----may God grant you His peace that surpasses all understanding, "aunt" Joanie

Ha ha ha! I remember that mask. Dad used to love scaring me with it when I was a kid. Thank you so much Joan.
