“ Dan and I grew up shooting targets as kids at Richmond Sportsmen Club in the limelight among many other Great Trapshooters from Michigan. One of which was my father.

I have not seen Dan in a long time but that didn't matter I was always greeted with a smile whenever we saw each other. In turn, I considered him my friend. We had a lot of fun shooting games at the club after hours with the fellas. Also we all became pretty good shooters moving onward to the ATA. But Dan pushed it a bit further than most of us. He became a ATA Clay Crunching Master and many time Champion!!!

My condolences go to all of the Logghe family.

We all lost very nice guy and a very young Champion Trap Shooter.

Rest in Peace my friend. Until we meet again, may the good Lord take a liking to you Danny!!!

“*Kristi, Kyle, Nicole, Ron, Jojo, Michele, and Denise: Your husband, father, son, & brother has decided to join God in watching over each of you from up above. A caring, loving, sincere, and righteous man was Dan Logghe. These are the kind of characteristics we want all of our children to attain. Dan was a living example of these traits. “ I golfed with Dan for several years (5 days per week) he was a fierce competitor. I golfed after high school with Dan at Pine Brook golf club on a league with a bunch of guys (beer league) he will always be remembered. I hunted with Dan and we chased one pheasant I remember like yesterday. I told Dan it would flush in the corner of a fence row off Big Hand rd and M 19. It flew like no other bird I missed it twice before and I took Dan to the same spot. Dan shot three times and hit the bird twice and the darn thing kept going and we never saw it again. He told me the Big Hand birds had under armor before it was even invented! He hit two more rosters that day and we took home nothing but feathers. The memories golfing and hunting with Dan will last forever. peace out ..Gary Johnson...class of "83".....miss you Dan "the good do die young"##imported-begin##Gary Johnson##imported-end##
