“ Dan was a "forever friend" as well as my forman/boss for several years at R&D, GM Tech Center, Warren, Michigan.
He knew his job, worked well with the employees, was honest, fair, kind and humorous.
He loved his wife, Sue, adored his daughters, Shelly and Stacey, and doted on his grandchildren.
Dan was one of God's children; his presence will be missed here on earth but family members who have preceded him will enjoy his being eternally.
Rest in the arms of God,
