“ To the family of Danny Pingitore:
Please accept my most heartfelt sorrow for the loss of Danny. What a wonderful man. I worked with Danny at the Ford Sterling Plant from 1973 til his retirement in 1988. His work knowledge and mechanical abilities were unmatched. His ability to get the job done and done well was only surpassed by his unquestionable work ethic and moral standard. There are few people in this world that you meet that will leave a lasting impression on you, Danny Pingitore is one of those people. May Dannys' soul and the souls of all the faithful departed rest in Peace. Amen Dan Jendza retired Ford Sterling Engineering.##imported-begin##Dan Jendza##imported-end##
