“ *My heart aches when I think of you, which is every day. Our 32nd anniversary was May 23. This was a very bad week. There is a place in my heart where my love for you lives on and where nothing will be forgotten. My heart was broken when I lost you but I know you are our guardian angel now looking over us. “ Dear Ailor Family,
I knew Kim from our childhood while living in the Capac area for quite a few years, we went to school together. I had just asked someone via email about Kim, only to learn he had passed away only weeks before. I am so sorry for your loss. I have so few memories from that time in my life, and Kim was always so nice to my brother & I, I should have made an effort sooner to tell him that his friendship made a lasting impression & fond memory in my life. I am saddened by his passing.

*Sincerely,

So sorry to hear about the loss of your dad. I was in the funeral home picking out an urn for my own father who died on August 23 when the name Ailor was mentioned. Right away I thought of you. I am so sorry Melanie. It is so hard. Feel free to email me. My prayers are with you and your family. Your former classmate and 7th grade cheerleading try-out partner(ha-ha what a memory!) Love,
