“ I have so many great memories of this wonderful woman! But I have to share the funniest..... Sitting at Aunt Sandy's kitchen table having coffee w all the girls, Dixie comes to sit beside me and when I look over there's a spider in her hair. I almost broke my nose on the glass door trying to run! And everyone looking at me like I'm crazy bc no one else knew what was going on. She stands up calmly, knocks the spider off and sits back down to her coffee and finishes her story of whatever it was we were talking about at the time! God, keep this angel close. She will give you so many good laughs!!
