“ My thoughts and prayers are with you at this sad time. I knew Donnie growing up not far from him on Springborn Road. However I had not seen him since high school. I remember he came to my bithday party when I was 11 years old and we enjoyed playing games together. We rode the bus to school together everyday. In high school we talked a lot about cars, our common interest. Donnie was always a very kind person and a true listener. He will be greatly missed.##imported-begin##Tracey McFadden##imported-end##

“ Please accept my deepest sympathy at this sad time. I graduated with Donnie from Anchor Bay and we were on the track team together our junior year. Donnie was a very good high jumper and an even better person to everyone who knew him. I hadn't seen him since the mid '70s, but occasionally ran across someone who had. He will always be remembered kindly by the people who knew him in school. All the best in the days ahead,
