“ *My condolences to everyone in Doris' family. May you find peace knowing that her suffering is over, and she is in a better place. I was glad I had the opportunity to know her. She made me feel very comfortable in the family. I especially enjoyed last Labor Day weekend when we were all at the cottage. Since I didn't see her often, that gave me a chance to enjoy her company and get to know her better. Remember the memories--they will always be there.##imported-begin##Lynne Irving##imported-end##*
