“ George, Tom, Bill, and Girls, I was very saddened to hear of your moms passing. I still hold many great memories of time spent at the Hyde farm as a small boy and just how wonderful your mom (and dad) were. I especially remember the laugh your mom got when, on one of my visits, one of the rabbits went under the refrigerator on the back porch and Tom told me that the reason he went there was because it was a Westinghouse. Please know that my thoughts and prayers are with you all during this difficult time.
