“ To the most amazing man. You blessed my life with your son, Wayne Douglas. I want to ~thank you with all of my soul. You touched the lives of so many in your time on this beautiful earth and most of all you were the father figure in my life that I so cherish from day one you took me in...loved me unconditionally...and I thank you.. You did understand what that meant to me. Your spirit is now resting peacefully with Mom to continue your never ending eternal journey...may you both have eternal peace.
