“ *Beth, you will be missed. I grew up with your pal Chrissy Holt. It was like witnessing Laverne and Shirley. Now half the duo is gone. A void that can never be replaced.*

“ *My heart shattered into a million pieces when I heard that Beth had passed away. Beth was an amazing family friend who I loved and adored. Throughout the years we had shared some unforgettable family memories. It was truly an honor and privilege knowing such a loving, kindhearted, strong spirited, courageous and brave individual for so many years.*

“ I've known Ginny for many years and we'd often talk about our kids and what was going on in their lives. I met Beth for the first time about a year ago. What an impression she made on my daughter (who is also dealing with cancer) and I. Her smile was incredible and spoke volumes. Her words were filled with hope, kindness, compassion and her spirit was angelic. I feel blessed to have met her and can't even begin to comprehend how much she will be missed by everyone who knew her. Know of my prayers & love for the entire family!!! Chris Corrado

“ I'm so sorry to hear of Beth's passing. We were in orchestra together at Grosse Pointe North.... I actually coached Beth for a year when she was part of the flag corp during marching season. My heart aches for the loss of your wife, mother, daughter, sister, aunt. Prayers are with all of you during this difficult time.

“ *Dearest Cousin Beth,*

*God couldn't wait to take you; you were perfect in so many ways. So many will miss you, but that's the price we pay, for knowing someone so loving and kind in every way. Who could forget your smile you so generously gave, or the laughter you always made.*

*As all your friends and family give their final thoughts and prayers, it is so very clear you inspired and lifted all our hearts. They say they learned from you, that you taught them confidence; to remain strong, and humor; to know happiness even when life is not so easy. They also say you were wonderful, amazing, strong, full of love and life, and that their lives were bettered by your beautiful presence, insight and wisdom. No wonder you gave your family so much strength and love.*

*My goodness Beth, you were already doing God's work here on earth. You knew exactly what you were doing. You were an old soul, full of wisdom and kindness. Thank you Beth, for all you gave; you will be deeply missed and always loved.*

*Love,

“ *John, Eugene, Anna, Sarah, Evelyn and Karen, Beth was such an incredible person to work with, she always had a positive attitude, a smile in her voice and a desire to help, be that her clients, or her co-workers, but what struck me the most when we had a chance to catch up outside of work, was how proud she was of her family life, the home you'd built together and her children, I know she'll rest in peace and she'll be in your hearts helping you to be strong for each other.*
