“ I think Jennifer and Ron said exactly what I wanted to say. I remember Uncle Elton coming to our house and playing outside with us in the summer sunshine. He was teasing us and we were laughing. He was patient and kind, all the things love is supposed to be. I am thankful to have that time and these memories.##imported-begin##Kelly (Loxton) Junga##imported-end##

“ I want to express how much you will be missed by your family and friends. Uncle Elton was a very sweet, soft spoken generous man who loved his family. I was fortunate to have an aunt and uncle like him and Aunt Mary who loved to spend time with all of us nieces and nephews, not leaving one of us feeling left out. I thank God for allowing me to have known you. You are deeply missed.##imported-begin##Jennifer & Ron Rouse##imported-end##
