“ Memories...oh the memories! My most favorite childhood memories are Christmas at my grandparents. Of course us grandkids (and later generations too!) would get in trouble for going to fast around the corner in the foyer by the antique glassware...playing to hard on the beds up stairs...which we would then hear..."stop shaking the chandelier!" In the dining room. Lol. Grandma was the most dignified, classy, elegant, disciplined, cared for all, never judged anyone, and always looked so beautiful. So put together head to toe! Oh and her jewelry, I'm thankful I got her love for jewelry. Loved to look at all goodies when I was a child. She will be greatly missed in this family. I love you grandma. I will see you again some day.  
Xoxo
