“ Thank you, Grandma, for all the wonderful memories. I remember the toy box in the front closet...building jigsaw puzzles... watching the birds in the backyard...going to Tietz's for breakfast...your collection of owls...listening to the police scanner...Christmas feasts...poppy seed, nut and fruit rolls...Avon collectables...and so much more. Each time I use a towel or afghan that you crocheted for me—and that is many times each day--I will be thinking of you.##imported-begin##LuAnne (Thurston) Crupi##imported-end##

“ Dear Kate, my thoughts and prayers are with you & your family during this time of loss and transition. May you be comforted and find strength in knowing you remain in the thoughts and prayers of your friends who cherish you and wish they could be there to comfort you now. Although I never met your Mom, I didn't have to know her personally to know that she was a special lady who raised a great bunch of kids. “ *Dear Grandma,*

*It seems like only yesterday I was a young boy mowing your lawn for you. I have so many good memories of you. All the trips to Frankenmuth growing up, playing bingo together and the time we shared when I lived with you, I'll never forget them! I hope I was able to express exactly what you mean to me when I said my "good-bye" to you. I know you told me not to cry but the tears won't stop. I should consider myself the luckiest boy in the world to of had a grandma like you for over 40 years. Christmas will never be the same without you! I love you, Gramma.##imported-begin##Scott Metzger##imported-end##*

“ *Dear Evelyn, you will be dearly missed. I miss our letter writing though out the past 12 years. If it wouldn't have been for you Mark and I would not have got our first house! And I so missed sitting with you at bingo all those years ago. My Thoughts and prayers go your family.##imported-begin##Sally Coucke##imported-end##*
