“ Uncle George has created memories for so many of us. Memories of fun times always fun times. On the farm, the wagon rides, snowmobile rides, mini bikes, going out in the field and picking a fresh melon, tomatoes, cabbage. You always went home with produce. Then there was that beautiful Rhubarb in the hot house so red and those rhubarb pies. I remember our road trip to the UP to see Uncle Eddy and Aunt Joannie now that was before the bridge was built. Staying with Aunt Gerry when you were in the service. That was on 16 Mile in the old farm house. So many good memories. We are all lucky to have had you as part of our lives for so long. “ Though I never had the pleasure of meeting George I know his daughter Mary well. She is a kind and thoughtful person and I am sure a reelection of her father.

My prayers are with the family.##imported-begin##Jayme Rossiter##imported-end##
