“ Aunt Lou and Tiff,
My thoughts are with you in your time of need. Wish I could be there for you. Anything I can do please let my mom know, and she'll tell you how to get ahold of me, even if its just to talk. I will always remember Uncle Ray letting us do whatever we wanted to even when our mom's said "no"...he was a great man and will be sadly missed.##imported-begin##Robert and Amy Mathis (Carrigan)##imported-end##

“ We wish we could be there for you Aunt Lou, Tiffany & the whole family. Uncle Ray will be missed by everyone who knew him. I know I will never forget him. He certainly was one of a kind. I always felt that he was watching out for us as kids (my brothers & sisters), but I know he will continue to watch over all of us. Both Aunt Lou & Uncle Ray were there for me during a very tough time when Bill MacMillian died & I REALLY wish I could be there with you guys during this time. We Love you & you will all be in our prayers. God Bless###imported-begin##Dan, Karen, Jack, Willis & Evan###imported-end##
