“ Dear Engel Family,
I truly am sorry for your loss and the feelings that you are feeling at this time. You will mourn your loss, but also remember to celebrate the life. Think of all the good, funny things that have happened and you will find it will put a smile onto your face.
I am currently out of the state on work assignment and I apologize to the whole family for not being able to be there in person. I am thinking of you and wishing all the best.

“ *JANICE,*
We are so sorry to hear of Glenns passing. I will never forget him with his accident. I was so afraid of losing him. And had hardly nothing to work with. I was glad to help out and never will forget you both in your time of trouble. This is a terrible time for you to go through. I hope this poem helps in some way. This has to be the worst time of your life. I cannot imagine. Take care and we send our love and Sympathy.
