Tribute Wall

“ He is my little brother, the one I always mothered when we were little and I miss him so much already but am so thankful I was able to spend his last days with him. I know there was a party up in Heaven when he walked through those gates! Tears on all our faces here but smiles on those up there. I know he'll hug Mom and Dad and all the relations for us and give Damien and Sneed a 'melon scratch'. Some day, we'll all be together again.##imported-begin##Janet Gallant##imported-end##

“ I'm sad to hear about the passing of my uncle Jimmy. I was never close to any of my relatives due to the fact that my mother, Julie, never got along with her siblings.
If any of my uncles, aunts, or even cousins are out there reading this, please send me an email. I would love for the passing of my uncle Jimmy to at least bring me closer to the family I have out there that I was never allowed to be apart of.
Even though I haven't seen my uncle Jimmy in many years, I will miss him. I still have a picture of him when he was younger in front of his motorcycle at the house I was brought up in on Norman Road (in which i'm lucky to get to live across the street from now).
Again, Love ya and miss ya uncle,
Your Niece,
