“ Julie, I have never been as good as you with expressing myself in words the way you can but here goes.....my memories of Jennifer will always be that little girl who was always full of energy and spirit...caring for all her animals,splashing in the pond and those wonderful summer birthday parties.
Thank you for sharing your family with us. She grew into a beautiful, strong young woman just like her Mom and Grandma Z.and was taken way to soon. Know that you are always with me... I Love you###imported-begin###Angie###imported-end##
