“ Usually words come easy, but not this time. Words cannot express the extreme sense of loss in our lives without "Stanley". However we are so thankful for memories in our heads and love in our hearts that carry us through these times. The presence of family and friends help us cope and remember. We start telling stories of John and so quickly our tears of sadness turn to tears of laughter and that is the gift we will give to John is days filled with sunshine, love and happy moments. Our heartfelt sympathy to Karen and Frieda and family. Peggy, we love you more than words can say and thank you for sharing Stanley with us.###imported-begin##Larry and Diane Kaatz###imported-end##
