“ My sympathy to tha family. Please know that God knows and understands the pain you feel but he is not the cause. Romans 5:12 tells us why we suffer and die, but verses 19 and 21 show what our loving Heavenly Father has done to change things. And let's not forget the beautiful promise of the resurrection (Acts 24:15). I hope these text give you comfort as it has me.##imported-begin##C Phillips##imported-end##
