“Joyce was a wonderful person and great neighbor. Her wonderful joy for life whether she was at the school or at church or a chance encounter at the grocery store was deeply appreciated. Sending our sympathies to her family

“Joyce truly was a special human being. I was fortunate to get to know her through working at Capac Community Schools. She was always helpful and fun to be around. She loved to get together and have fun! She loved to laugh. A group of us teachers would meet after school on Fri. and have a drink and just enjoy being together. She also loved to have parties at her house. It could be a party to celebrate someones birthday or the end of the school year party or just a party to share friendship. We all adored her and we have such fond memories of her devotion to her God, church, family and friends. She will be missed.

“ Lauren, Mary and family. I was so sorry to hear about your Mom. What a great lady! I so enjoyed her visits to Massachusetts, It was always a special time to gather because Joyce was in town for a few weeks. She enjoyed playing card games with Mother and the children. Great times we had. I'm so glad I was honored to know her. Love to you all. Sue Kimball from New Hampshire.

“ I will always cherish the fond memories of the times in the "neighborhood" with you and your mom, Joyce. She had a good life and shared her joy with everyone that had contact with her. My thoughts are with you Al, Glenda, and Loren during this trying time. God bless you all. Our families go back a long way through many generations and I share your sorrow.

“ Dear Glenda, Brian and family,
Joyce could always make me smile whether I
was listening to her play the organ so
beautifully or whether she was telling one of
her great stories or funny jokes. She will be
missed by many.

I picked a yellow candle for Joyce because she was always a ray of sunshine to me. She was a very special person and will be sadly missed. Hundreds of kids (adults now) will remember the kind lady in the office for many years first at the elementary school then the middle school in Capac. She was an inspiration from the permanent smile on her face to her love of music, no one could play the organ like her, and her never let life get you down attitude. I have missed running into her in recent years. Rest in peace dear Joyce. My thoughts and prayers are with your family at this time. God Bless! <3

“ *Brian, Glenda and family, my heart goes out to you at this time. Joyce was such a special lady. She was the mom at school that everyone needed. Such a pleasant person. Her skills as an organist were wonderful to listen to. She gave the world so much joy. The world will be a little quieter without her, but oh the joy she will spread for the lord. Our prayers are with you during this time and the future days to come.*
