“ *Judy will be greatly missed by all the Master Gardeners of St. Clair County - with whom she shared so much. We already missed her this spring when she was too ill to attend one of her favorite MG events - where she could share her gardening passion with the children. Judy was fun to be with, always smiling and had a great attitude about life. We are all richer for having known her. We share in your sadness and loss. God bless.##imported-begin##Laurie Dennis, Master Gardener##imported-end##*

“ *We will so miss your laughter, your smiles, your caring and your advice. You never forgot a birthday. I will be comforted as I remember the fun times and ladies gatherings. Memories of museums and college classes together. I learned to like worms because of you!##imported-begin##Linda Stoutenburg##imported-end##*
