“ *the Goulding family,
we got the word late of Larry's passing and missed the funeral.
Larry and our dad taught at St.Clair High for many years and shared
the same office. Their stories were one of a kind! I remember taking
drivers ed with him, (we were lucky cause their were some students
that crashed the car they were in with him in it!) he loved his family
and was a truely caring guy! We all mourn the loss of
him!###imported-begin##Mary Cornish-Morgan##imported-end##*

“ Barb and family, we are so sorry to hear about Larry's passing. Steve and I will fondly remember what a great man he was, his humor and especially when you both would listen to big band music in the yard. His funny comments on when he would think about everything he had to do and how it would wear him out just thinking about it! He will be missed. Our prayers to you and your family.
