“ *Dad, you must be in your glory having mom with you now! I miss you so much and think about you all the time. Mom fought hard, but I felt you there, waiting to welcome her with open arms. Maybe you were just too convincing because she went to be with you and the Lord pretty quickly. I know she missed you very much and just wanted to go to be with you, thanks for waiting so patiently. I Love You Daddy!###imported-begin##Lisa Juarez###imported-end##*
