“ We will always remember Uncle Leonard for his great generosity and his love of U-M. Our uncle had a kind heart, a great sense of humor and was always trying to help us out. He was a good man who always found time to come to his godsons basketball games, tennis matches and various other activities. I never heard him talk bad about anybody (except OSU) and he will be greatly missed by the Urban family. May the angels carry you into paradise Uncle Leonard. We love you, Cary and Alyssa P.S.
