“ Mike, you were one of my first school friends. It seems like so long ago, but the memories are still always there like it was just yesterday. I am so happy to have known you...your smarts, your wit...everything that made you, well, you.

*I cannot be there today to celebrate your life with everyone else, but my mind and heart are there with them. Until we meet again.*

*Stephanie (Brunelle) Fuller - Class of 1998*
