“ Grandma Burton was great. She always wanted to talk to me and I wanted to always talk to her. Though I live in Texas and rarely got to see her, I loved her very much and she was a great grandmother. She was special and fun to be around. I cried when I heard that she died, but I know that she is in a better place now and now God will take care of her. I love and miss my Great Grandmother.##imported-begin##Paige Bennett##imported-end##

“ *"Dance as though no one is watching,*

Love as though you have never been hurt before,

Sing as though no one can hear you,

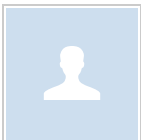

Live as though heaven is on earth."

Whether she meant to or not, I think these are the words that my grandmother lived by. I'll always remember her as the one to say what everyone else was thinking, to always have a smile on her face, a song in her heart and a twinkle in her eye. I'll miss her wit and her sense of humor and the way she played with my hair and tickled my back. She had a huge heart for her family. I love her and miss her but I know that she's dancing again.
