“ Dear Gary and Larry, and family,
We were so, so sorry, and saddened to hear about Aunt Norma. We would have loved to pay our respects but we only found out late yesterday afternoon from my dad.
Our prayers are with you and your family this time, as we pray for the Lord to give you the strength you will need through these difficult weeks/months.
God Bless you all.
Love your cousin,

“ Wish there was some sort of magical words one could say to help ease even the smallest of pain. With a heavy heart we send our prayers love to both Gary and Larry's family. Wish we could of been there. Mom and Dad have spread there cold around to the family. :(was just the other day I was watching some home movies which included Party that was held in your parents garage. Grnadpa and Grandma keyes were even there. Our thought are with you.

“ Gary, Larry and Family,
Steve and I wish so much we could be there- to share memories,
give a hug, shed a tear. Gary, I remember the times I got to stay
over your old house, your mom fixing bologna and ketchup
sandwiches. I thought they were the best! (No accounting for
childish tastes!) Larry, I remember when you were born. So many of
my memories of holidays and special events included your mum
and dad. I know they are in a better place, all together with my mum
and dad. We can take comfort in that. Wish I were there to hug you.
Our prayers are.
Love to all, Jackie###imported-begin###Jackie (Keyes)

“ I met Norma back in the 1970(s) when I was working/flying with
Harry @ Selfridge on the C130 aircraft. He was a great guy and she
was equally a special person that impressed me.

God bless her spirit and your family in their sorrow.
