“ Many of you have never met me. I am a Nurse Practitioner at Huron Medical Center and have cared for Opal for the past 1.5 years. I was out of town when she died and was quite shocked and saddened to hear the news. I wish that I would have been able to attend her funeral. She was an amazing woman! Each time I saw her, she would have a funny story to tell. She always had a smile on her face. I truly enjoyed our visits and will miss her dearly! It is always so difficult to lose the ones we love. My thoughts and prayers are with you.##imported-begin##Gretchen Altermatt##imported-end##

“ *Christie and Family,*
We are very saddened to learn of your great loss. Please know our empathies and concern are with you in thought and prayer. There is never enough time to say 'so-long' for now. What a blessing the gift Christ provided by means of the resurrection. Know that your loss is painful to God and His Son, as they would never cause such a tragedy.

“ *Mike and Christie, I was sad to read about the death of Opal. She was a wonderful, warm and funny lady. I saw her a couple of years ago and we had a nice visit. She was such an important part of so many weddings and always made you feel yours was the only wedding ever to happen...her flowers were always special.*

Opal and my mom (Marie Ryan) had a great deal of fun working together at the cleaners. Opal helped my mother through many a crisis. My prayers are with both of you, sorry I can not be at the funeral. Sheila Collins###imported-begin##Sheila Ryan Collins###imported-end##
