“ *I knew Mrs. Ora Brown thru her neighbor, Jenny Benn, and from working at the Yale Feed Store with Mary (Benn) Stoyka. Always, she had a wonderful smile and gracious, loving manner. She was very proud of her family, and so enjoyed their reunions and celebrations at her birthday parties. My thoughts and prayers are with you at this time.###imported-begin###Florene###imported-end##*

“ I will never forget all the memories I have of Grandma. It was always fun to go to grandma's old farm house and visit. I remember how me and my brothers loved to visit because we knew she always had those great homemade chocolate chip cookies. That is just one of the many memories that I will never forget I know she is in a far better place. But she will still be missed.##imported-begin##Wesley Proctor##imported-end##

“ I was a member of Cole Church before I became a pastor and was blessed to have worshiped our Lord with Ora. I don't believe I ever saw her without a smile. Ora was a blessing to Cole Church. Even as I visited her at Medilodge her smile never faded. She is smiling even brighter today in the presence of Jesus. May God be with you during this difficult time.

“ *My sincere sympathy on the loss of your loved one. I am a high school friend of Bonnie (Kipp) Dabb, and I now live in Yale. I saw the obituary in the local paper and felt compelled to leave a note. Bonnie, your grandmother is the kind of person that makes our community a great place to live. I have a strong affinity for all the farming families in our area. I wish I had known you had family so near me-its just nice to know. You will be in my thoughts this week. Please feel free to contact me through my e-mail address.*

Sincerely

“ *Dear Lorraine, Milo, and Orville:*

I am so sorry to hear about your mom. She was a sweet, delightful lady who was a part of my entire life and a dear friend to my parents. I remember her beautiful gladiolus and picking strawberries in her garden. My heart is with you. Mary Doederlein##imported-begin##*Mary Doederlein*##imported-end##
