“ I wanted to let all of you (Tom, Julie, John, Austin, Travis) know that I have thought about you and prayed for you so much. All of your family here in Kentucky loves each of you. It's hard to believe that Phyllis is gone. We know though that she is with pappaw, mammaw, and the rest of her family right now. Again, we love you and you are in our prayers.##imported-begin##Sandy Adams Lundy##imported-end##

“ I am truly sorry for your loss. It was a great shock to read of your wife's passing. I know what a wonderful person she has always been and how much she will be missed.

May God bring your family through this terrible loss minute by minute. She is only a breath away and will always be with you in your heart and mind.

*Again I want to extend my deepest sympathy to your family.
