“ *I have many fond memories of Mr. Fischer from when I was younger. He was always so supportive of the youth in the church and was always so happy.*

I am so happy to see that he did not spend his last months on this earth alone.

My thoughts and prayers go out to his surviving family. God Bless.

“ *When Bob entered our lives not too very long ago he brought something to our family that was missing for a long time, my grandmothers' love for life and for that he will always be remembered and loved. He made my grandmother happy, became my Step Grandfather and not only entered our family but also our hearts. He never spoke ill of anyone and was always willing to help anyone who needed it. His kindness and generosity was as large as his appetite for life and dessert. He was with our family for too short of a time but he will always be Grandpa Bob and will truly be missed.###imported-begin##Bonnie Steece###imported-end##*

“ I have such wonderful memories of Bob and all of his stories. Altho I have been gone from Capac for 18 years, I still have family and visit the area and I have not forgotten old friends. Rest in peace, Robert.
