“ I have tried three different times to write about how Aunt Sharon has affected me in my life. Well everything that I tried to write just doesn't seem to express my feelings. Words at times like this are so hard to find. My heart is broken for losing such a dear aunt and friend. I will miss her very much. My heart also goes out to Uncle Bob, Lisa, Christie and Scott and thier families. My most deepest sympathy goes out to all of you for your loss. Aunt Sharon was definitely a person that has impacted my heart and soul in which I am so grateful to have known her and have such wonderful memories to hold on to. She had an amzaing natural gift of loving, caring and comforting others unconditionally. May she rest in peace!###imported-begin###Denise Jobe###imported-end##
