“ Sheryllin had touched my life in ways she will never know. She is the most spiritual and courageous person I have met. My eyes fill with tears missing her but I believe she is in a better place and that we will meet again. Sherylin you are loved today tomorrow and always. I believe in angels and if you are lucky you will have a chance to meet one here on earth for all those that knew Sheryllin were as lucky as I was for she is my angel that I was lucky to have met. I will never forget Sheryllin and everything she stands for. God bless and be with her children to bring them peace in their memories.##imported-begin##Kelli Crouse##imported-end##

“ My heart and prayers go out to your children. You were the most beautiful, charming person I have ever met. You had strength that I could only admire! I will miss our chats and will miss you so very much! I wish we could've been friends longer than we had the chance to, however I feel so blessed to have had you in my life. I know your love for your children was the greatest from our talks. I pray the lord gives them the guidance and support needed to get through this as I know you are watching them from above! “ Although we only saw each other once a year when we traveled to Michigan, we seemed to be able to pick up where we left off from the previous year with ease. It will seem odd not to see her this year. I will miss seeing her big smile and sparkling eyes. She was always so kind to everyone and always put everyone's needs ahead of her own.##imported-begin##Darlene Beckett##imported-end##
