“ Ted, I did not know you long but you were a friend. You raised cattle and I raised goats and we had some great fun and dialog in our conversations.

I'd prefer not to say goodbye, rather, I will see you in the future.

To your family, our prayers are with them in this time of loss, but we take consolation in knowing we will see you again in a much better place.

“ Diane:

I am so sorry to hear of Teds passing. My thoughts and prayers are with you and your family during this very difficult time.

When ever I think of Ted I will always remember him riding around in that blue ford tractor with a Mountain Dew in his hands, and those ham and cheese sandwiches he use to get from Eli's Party Store. (I don't remember what they were called, but they sure were good).

He will be missed by all that knew him.
