“ *Dave and I (Marty) we're new to the parish as Servants of Jesus of the Divine Mercy and as Prayer Ministers, we felt very welcomed by Tom and Vickie. As it happened my husband Dave became ill and was hospitalized. Tom and Vickie were the first to visit him while in the hospital with a beautiful basket of fruit and prayers. They were always in church and always with a smile. We will miss you my friend. Rest in the arms of Our Lord.*

“ I've known Tom for many years as a neighbor on Benton street where I grew up, he always had the most manicured yard on the street. He was always such a nice guy and would help anyone in anyway he could. In later years when my grandfather became sick with Alheimers, Tom and Vicki walked over to see if there was anything we needed. I thanked them but declined the offer for help, they then walked down a few days later and brought a beautiful fruit basket for my grandparents. Tom will be greatly missed by all who were fortunate enough to have known him. RIP Tom....your suffering is over my friend! Prayers and thoughts to the family.

“ There are so many memories I could write a book. From all the life lessons he taught me, to the simple things like watching certain shows and movies together. So many fond memories. My most treasured memory of Dad was the day he got to meet his granddaughter Felicia, he was so happy he got tears in his eyes (which didn't happen very often). He always loved us kids and grandkids, and was always so proud of all of us. Dad will be missed very much. I will always love you Daddy!! Rest in peace.
