“ *To LouAnn, Jeanine, Rick, Randy and Toby, and your families we wish you comfort in your time of sorrow. It is indeed a sad time for our family to lose two sweet souls so close at the close of this year. I believe that we can take comfort in the thought that Tim and JoyAnn are with all those we have lost before, and suffer no more the afflictions this world imposed on them. I take pleasure in thinking that JoyAnn now sees with a new clarity she has never known, and Tim is in no pain. Though the tears continue to flow, and I miss Joy so much already, I also take comfort in knowing they, all of them, are not lost but just moved on, and I will meet them again someday by the grace of God and our Savior Jesus Christ,..such a gift we have. From me, ..I love you all, near or far..and am with you in your time of grief. Remember the good times and smile, as this is the best we can do for those who have gone before us. Hugs and kisses, Patty##imported-begin##Pat and Mike

“ Dear LouAnn; Please accept our sincere sympathy for your loss of your devoted husband. Even though you live so far away, we have not forgotten you and your wonderful family.

Tim will be greatly missed by all of us.

We too suffered a loss today. JoyAnn lost her battle recovering from the surgery she had over 3 weeks ago where they removed one of her kidneys. She had to go on dialysis because the other kidney ceased to function. We were called to the hospital this morning but she left us before we had a chance to say good-bye. We know she is with Mom, Dad and "Uncle" Bob. A better place.

We will pray that you will go on with God's help.

Take care.

Love, Elaine###imported-begin##Johnny & Elaine Eason###imported-end##
