“ To Judy, my heart and prayers go out to you and your family. May God bless you and your sons Shawn and Brandon. Tim is in a much better place, he suffers no more. We are left to grieve and mourn.

I wish I would have had more time to know Tim better, but I still almost felt like I lost a family member.

The hurt and pain will never leave you Judy, but it will lesson over time! Tim would demand that you go on with your life, although I am sure at this point, you feel that is impossible.

Judy, I hope you find comfort in family and friends, and find comfort through the holy spirit.

Tim, rest in peace friend..... you are gone, but will never be forgotten! Shawn and Brandon will carry your legacy, and I know will make you proud!!###imported-begin##Mickey Lattimore##imported-end##

“ Hi Judy,

I'm very sorry for your loss. Tim was a great guy ... I'll always remember how he kept me laughing even when I was having a bad day. He had a quick wit about him. Unfortunatley, I won't be able to come out for the viewing or service. I wanted to let you know I was thinking about you all and my family will be praying for you and the boys.
