“ Janet, I am sorry for your family's loss of your brother, Walt. Although I never met him, I feel as if I knew him from listening to your stories and of so many parallels there are between my own family and yours. I hope the good memories you have will help to lessen the sorrow of the loss of your brother.

“ Sweet father, you left us so sudden. I know you didn't suffer for too long and that you didn't want to spend time in a hospital when the day came to be with Jesus. You were such a caring father and I will treasure every moment I had with you. You in be in my heart forever.
I Love you,
Your daughter, Jill
